1. The right to appoint official sponsors and partners of the GotF 2025, including title sponsors, is exercised by PI independently or through third parties, in accordance with established procedures.
2. By submitting an application for participation in the GotF 2025, the participants acknowledge existence of PI's obligations to the sponsors and partners of the GotF 2025 and/or PI and guarantee, on their part, performance of actions aimed at the fulfillment of the respective obligations, and shall also refrain from impeding fulfillment thereof, as set forth in the Rules and Regulations.
3. PI acknowledges participants' rights to interact with their personal sponsors and partners and will ensure participants can meet their obligations to such parties, provided these interactions comply with the restrictions and requirements of the Rules and Regulations. Participants' interactions with personal sponsors and partners must not interfere with PI's Commercial Rights, create conflicts of interest within product categories, or violate applicable law or the requirements of video game developers (rights holders).
4. For the aforesaid purposes, the GotF 2025 participants shall maintain the exclusivity of rights granted by PI to the GotF 2025 sponsors and partners. In particular, participants shall not enter into agreements (contracts, arrangements, etc.) that may limit or prevent the use of rights granted to GotF 2025 sponsors and partners and/or PI.
5. GotF 2025 participants must inform PI in writing of their sponsors and partners (specifying the counterparty/brand name, contract term, product category, and whether exclusivity obligations exist) at the time of submitting their application for participation. Participants must disclose all sponsor and partner obligations existing at the date of application, as well as those effective during or after the GotF 2025 that relate to the event.
6. During the GotF 2025, the participants must notify PI of prospective sponsors or partners before entering into relevant agreements and must finalize such agreements only with PI's written approval. Participants' Uniform and Outfit; Additional Equipment/Gear

1. PI shall approve the list of Sports (Sports disciplines) for which it will provide the GotF 2025 participants with the required uniform, outfit, equipment, and gear, according to the specific requirements of each discipline.

For Sports (Sports disciplines) not included in PI-approved list, the GotF 2025 participants must use their own personal uniform, outfit, equipment, and gear, subject to the provisions outlined in the Rules and Regulations. PI retains the right to designate the manufacturer of personal uniform, outfit, equipment, and gear used by participants, and may establish additional requirements for such items.

2. Along with their application for participation in the GotF 2025, the participants shall submit to PI for approval the designs of the uniform, outfit, equipment, and gear, specifying all decorations, including sponsors and partners designations are to be placed on the uniform and outfit, equipment and gear. PI may provide comments on these designs of the uniform and outfit, equipment, and gear, and set a deadline for corrective actions, particularly regarding sponsor and partner markings. If a participant fails to address the identified shortcomings within the specified timeframe, PI reserves the right to refuse admission to the GotF 2025.
3. During GotF 2025, PI shall monitor conformity of participants' uniform, outfit, equipment, and gear with the designs and requirements previously approved. If any item does not comply, PI will report the matter to the Chief Panel of Judges (CPJ). Based on this information, the CPJ may refuse admission to GotF 2025 and impose relevant sanctions, including forfeiture, if the participant declines to correct the violation.

Participants must use approved uniforms, outfits, gear, and equipment for these activities. PI will provide all necessary information to participants in writing or through direct communication with the participants or their representatives.
2. Participants must not engage in any activities, communications, or undertakings that result in, or may result in, the dissociation of rights associated with the GotF 2025, or that may infringe upon the rights of third parties to be associated with the GotF 2025, as granted by PI under relevant agreements.
3. The GotF 2025 participants shall refrain from any actions or inactions, including statements or remarks, that may negatively affect the image or reputation of the GotF 2025, PI, and/ or any sponsor, advertiser, marketing partner, and/or any other party, individual, legal entity, country, or culture. Participants must not insult or show disrespect toward these parties.

the political neutrality principle (Sports beyond Politics), including the principles set out in the Olympic Charter.

3. The GotF 2025 participants must maintain confidentiality when communicating with officials of the GotF 2025. All texts written as part of applications, complaints, protests, or appeals are confidential and shall not be published without PI's written permission.
4. The GotF 2025 participants must comply with the Regulatory Documents, obligations stipulated by the Conditions for Participation in the GotF 2025, and other documents approved by PI.
5. The GotF 2025 participants are forbidden from using any items, equipment, or gear not authorized by the Regulatory Documents, as well as any items that may pose a potential danger to the life and/or health of others and/or themselves.

The GotF 2025 participants are prohibited from using any software that affects the in-game mechanics of computer games (used during the GotF 2025), including any software designed to change in-game parameters with a view to gaining an advantage over opponents and/or hindering the normal course of the game, thus creating obstacles to their opponents (i.e., cheat codes, etc.).

Athletes participating in Sports (Sports disciplines) involving computer games must use the same licensed game account and the same game nickname throughout GotF 2025. The use of several accounts by one athlete, as well as the use of the same account by several athletes, is prohibited. Any action aimed at transferring the game account to a third party is prohibited. Any other actions that violate the software usage rules (license agreements, user agreements, etc.) established by the rightsholders and/or developers of the respective computer games used during the GotF 2025 are prohibited. The athlete must immediately inform the referees of any changes to the account interaction and report when access to the account is lost.

9. The GotF 2025 participants must comply with safety rules, and equipment operation procedures, and anti-doping requirements.
10. The GotF 2025 participants undertake to observe the dress code and other requirements for their appearance in the GotF 2025, as determined by PI (which may also be established in the Technical Rules).

11. The GotF 2025 participants must use the sports equipment provided by PI (if such is provided).
12. The GotF 2025 participants are not allowed:
 - To use physical force, as well as any threatening actions towards the officials, referees, spectators, representatives of the press, as well as towards other GotF 2025 participants (except for cases when the use of physical force by a GotF 2025 participant is necessary according to the Regulatory Documents);

 - To interfere in any way with the competitive process, disrupting its normal course;
 - To commit other actions interfering with the normal organization and staging of the GotF 2025 that are in contradiction to the Regulatory Documents and other documents of PI;
 - To collude with each other.

Any participants found to have colluded at any stage of the GotF 2025 will be disqualified from the GotF 2025 and will be required to return any compensation and prizes received by them from PI and third parties in connection with their participation in the GotF 2025.

Examples of collusion shall include, inter alia:

- Intentional loss for any reason;
 - Rigged matches in any form;
 - Agreement to share the prize money.
13. In view of the current epidemiological situation, the GotF 2025 participants must adhere to the medical recommendations for the prevention of viral infections, including COVID-19, as set out in the Regulatory Documents.
 14. The GotF 2025 participants undertake to fulfill other obligations and comply with requirements stipulated in the Regulatory Documents and other documents of PI/the HCA counterparties/Chief Panel of Judges. Additional obligations of the GotF 2025 participants may be determined by the Regulatory Documents, including, but not limited to, the Technical Rules, as well as other documents of PI/Chief Panel of Judges.

Chapter 13. Refereeing

1. The Chief Panel of Judges and the Referee Panels, composed of referees approved by PI, are responsible for officiating the GotF 2025.
2. The rights and duties of the Chief Panel of Judges and the Referee Panels, and their representatives will be further defined by PI in a separately approved document.
3. PI will determine the names, positions, and the number of members serving on the Chief Panel of Judges and the Referee Panels.
4. Brigades of referees shall directly officiate matches/fights/races, etc. Their composition, rights, and duties will be determined by PI.
5. PI will approve the referees' uniform kit.
6. All GotF 2025 referees are prohibited from gambling with bookmakers and totalizators through betting.
7. Referees may be suspended from officiating the GotF 2025 for a period specified by PI if they fail to satisfactorily perform their duties, as required by the Regulatory Documents.

Chapter 14. Disciplinary Infractions and Sports Sanctions

1. The GotF 2025 participants who violate the Regulatory Documents of the GotF 2025 may be subject to sports liability as prescribed by the Regulatory Documents and other documents of PI, including by the authorized body of PI or any body recognized by PI. The list of penalties and sanctions is provided in ANNEX 4 to these Rules and Regulations.
2. PI recognizes the WPC Disciplinary Regulations and the jurisdiction of the WPC Disciplinary Committee. Accordingly, these regulations may also be applied to impose sporting sanctions on GotF 2025 participants, as appropriate.

For clarity, there are two separate, independent judicial bodies within the disciplinary system, each with distinct roles, operational procedures, and powers, that are authorized to impose sports sanctions:

- (1) **The Chief Panel of Judges (CPJ)** is the central professional operational judging body for the GotF 2025, operating during and immediately following competition phases ("after the whistle"). The CPJ reviews the match protocol and incident. It can decide to extend the disqualification for the remainder of the specific tournament (e.g., Games of the Future 2025), formalizing this in its protocol, which is then sent to the WPC Disciplinary Committee for its information; and
- (2) **The WPC Disciplinary Committee** is a non-operational, collegial appellate and disciplinary body of WPC, operating under the WPC Disciplinary Regulations. The WPC Disciplinary Committee reviews cases from the perspective of the broader Competition tournament ecosystem and the long-term integrity of Phygital Sports.

Primary Tasks of the CPJ:

- Prompt, on-site review of disputes, protests, and referee decisions from matches.
- Evaluation of on-field officiating quality.
- Application of immediate sporting sanctions (e.g., warnings, fines, prize pool deductions) as per the Regulations.
- Recording all decisions in official competition protocols.

The CPJ is not an appellate body and does not review its own final decisions. Its mandate is concluded upon the formal submission of a case file to the DC.

Primary Tasks of the WPC Disciplinary Committee:

- Review of appeals against final decisions of the CPJ.
- Adjudication of complex non-operational matters (e.g., ethics, finance, policy, reputational cases).
- Imposition of additional or extended sanctions based on CPJ findings.

The WPC Disciplinary Committee may only consider cases for which a final decision and official protocol have been issued by the CPJ. The DC cannot initiate proceedings for incidents without a corresponding CPJ record.

3. If a GotF 2025 participant commits a violation not expressly provided for in the Regulatory Documents, PI may impose any sports sanction provided for therein, guided by legal precedent, statutory analogy, and the principles of good faith, reasonableness, and fairness.
4. PI has the right to develop, approve and/or recognize a separate regulatory document specifying:
 - Types of sports sanctions;
 - Procedure for imposing and enforcing sports sanctions, including limitation periods for liability;

- Circumstances for suspension or exemption from sanctions;
 - Procedure for appealing against decisions on the imposition of sports sanctions;
Procedure for the formation of and the activities performed by the bodies (individuals) applying (imposing) the relevant sports sanctions.
5. PI has the right to develop and/or recognize any judicial body authorized to impose sports sanctions according to the procedure provided in this Chapter.

Chapter 15. Appeals

1. An appeal against the result of a match/fight/race, etc. (“the Appeal”) may be filed by a team representative or athlete in connection with a violation of the Regulatory Documents, namely:
 - Violation of a specific article or a paragraph of the Rules of Sports (Sports disciplines);
 - Absence of equal conditions for athletes during a match/fight/race, etc.;
 - Wrongful actions of the referee(s);
 - Failure by the referee(s) to address systematic acts of misconduct by participants, which did not result in disciplinary measures.
2. Appeals must be submitted in writing to the Chief Panel of Judges within 15 (Fifteen) minutes of the conclusion of the match/fight/race. Appeals must clearly state and corroborate the grounds for its submission.
3. The Chief Panel of Judges will consider the Appeal within 1 (One) hour of its receipt.
4. The Chief Panel of Judges will make its decision by simple majority vote.
5. The Head Referee will communicate the decision of the Chief Panel of Judges regarding the Appeal to the representatives of the GotF 2025 participants involved in the appealed event, and/or to the participants themselves.
6. The decision of the Chief Panel of Judges is final and binding upon the parties from the moment of their announcement.
7. Decisions of the CPJ may be appealed to the WPC Disciplinary Committee in accordance with the procedure outlined herein. Sanctions will also be imposed in accordance with the WPC Disciplinary Regulations and the Regulatory Documents.

The WPC Disciplinary Committee’s review process is as follows:

- The WPC Disciplinary Committee considers only cases that have been previously examined and formally submitted by the CPJ.
 - The WPC Disciplinary Committee reserves the right, at its sole discretion, to decline to review any case if the submitted appeal or petition is inadmissible, lacks substantiated arguments, or fails to comply with the formal requirements stipulated by the applicable regulations and at its own discretion.
 - If the WPC Disciplinary Committee agrees to proceed with a case, it may exercise the following powers:
 - (a) Uphold the decision of the CPJ and dismiss the appeal or petition; or
 - (b) Overturn the ruling of the CPJ, in whole or in part, and issue a new decision.
8. If the Rules of Sports (Sports disciplines) or the Technical Rules specify a different procedure for filing and/or considering an Appeal, the procedures set out in these Rules and Regulations shall apply.

Chapter 16. Dispute Resolution

1. Any disputes, controversies or claims in connection with holding and/or participation in the GotF 2025, or otherwise arising from the Rules and Regulations, between the subjects of the GotF 2025, as well as other persons and/or with the participation of other persons who have expressed their will to be bound by the Rules and Regulations and this arbitration agreement, (jointly - “the Parties”, and separately – “the Party”), shall be settled by the Parties through negotiations.
2. If the Parties fail to reach a settlement through negotiations within 30 (Thirty) days from the date a dispute arises, any of the Parties may refer to and finally resolved by arbitration under the Arbitration Rules of the London Court of International Arbitration, which Rules are deemed to be incorporated by reference into this Article.

The number of arbitrators shall be three.

The seat, or legal place, of arbitration shall be the DIFC.

The language to be used in the arbitration shall be English.

The governing law of the arbitration agreement shall be the substantive laws of England and Wales.

Chapter 17. Final Provisions

1. These Rules and Regulations take effect upon approval by PI. Any amendments or additions to the Rules and Regulations are approved by PI and come into force immediately upon approval, unless otherwise specified by PI, without the need for additional notification to participants.
2. Matters not addressed by these Rules and Regulations shall be resolved in accordance with the Technical Rules, the Rules of the respective Sports (Sports disciplines), decisions issued by the Chief Panel of Judges and/or the WPC Disciplinary Committee, and other applicable Regulatory Documents.
3. In case of discrepancies between the Rules and Regulations, the Technical Rules, the Rules of the respective Sports (Sports disciplines), and the Regulatory Documents, the interpretation and final resolution of such discrepancies shall be determined by PI (or the Chief Panel of Judges). In making such determinations, PI will be guided by legal precedent, statutory analogy, and the principles of good faith, reasonableness, and fairness.

ANNEX 4
to the Rules and Regulations
of the International Multisport Tournament “Games of the Future”
to be held for a period from December 14, 2025, to December 23, 2025,
in Abu Dhabi, UAE

PENALTIES AND SANCTIONS

All penalties are imposed as a percentage of the prize pool share of the participant/team. The severity of the penalty depends on the nature of the violation, its impact on the competition, and any repeated offenses.

Application Rules

- Penalties marked “per match”/“per incident”/“per slot”/“per broadcast”/“per post”/“per day” are cumulative and may be applied for each separate occurrence. Distinct violations may be added together for the same match or tournament.
- Penalties marked “once” are applied one time per tournament (per case). If a new, separate case occurs, a new penalty may be imposed.
- Repeat offenses of the same type within the tournament must be calculated in the upper half of the stated range; third and subsequent offenses are imposed at the top of the range.
- Financial penalties do not preclude other disciplinary measures (warnings, technical defeats/forfeits, suspensions, disqualifications, annulment of results) where applicable by the Regulations.
- Total penalties may not exceed the participant’s/team’s prize pool share. Any excess results in forfeiture of prize money; no negative balance is created by penalties.
